The Rebreather Meeting 2024 is an important event with international guests organized by the Ponza Diving Center and dedicated to all rebreather divers. It will be organised in 1 technical dive in the morning and conferences and debates on the latest discoveries in hyperbaric medicine by the most high experts from around the world.

The congress is designed for all technical divers leaders and organizations interested and/or involved in rebreather diving.

The meeting will be on Ponza Island from 8th to 12th May 2024. For more information you can contact us on:
